

## **JL - STUDENT GIFTS AND SOLICITATIONS**

### Solicitations

The solicitation of donations and contributions from students will be restricted to fund-raising drives approved by the Board.

Any outside organization desiring to distribute flyers or other materials to students in connection with fund-raising drives may do so only with the approval of the superintendent.

### Gifts

Students will be discouraged from the routine presentation of gifts to district employees. When a student feels a spontaneous desire to present a gift to a staff member, the gift may not be elaborate or unduly expensive. The Board will consider as always welcome, and in most cases more appropriate than gifts, the writing of letters to staff members expressing gratitude or appreciation.

### Personal Projects

Any student or teacher who through the course of instruction produces any article, written or physical, for his personal use and/or ownership shall pay the cost of the material used in the construction or compensation of each article.
